ACTION ITEMS

1. Resolution Designating Surplus Property - Brian Scott (p. 2)

   Council Policy No. 111 defines our process for the sale and disposal of real property in accordance with State statutes. This resolution will declare as surplus five police cars and one motorcycle and their accessory equipment, as well as various items and computer equipment from the Community Center and Public Works Departments.

2. Ordinances Adopting STO & UPOC - Ben Hadley (p. 7)

   Annually, the League of Kansas Municipalities publishes a comprehensive public offense code and uniform traffic code for all Kansas cities. Mission adopts these publications by ordinance, allowing us to maintain uniformity with agencies in the area, the State of Kansas, and the actions of the State Legislature. Additional ordinances that have been adopted by Mission to address local issues will remain in place. These include maximum speed limits, school zone fines, smoking restrictions, animal cruelty, and abuse of toxic vapors (as outlined in the attached action item).
