RE: Sale of General Obligation Bonds Series 2014-B

RECOMMENDATION: Consider and approve the necessary bond documents to proceed with the sale of GO Bonds Series 2014-B in the estimated amount of \$4,235,000 for the refunding of GO Bonds Series 2009-A.

DETAILS: At the July 16th City Council meeting staff was directed to undertake the next steps with our financial advisors and bond counsel to proceed to offer for sale General Obligation Bonds, Series 2014-B. This issue, and the 2014-A issue which sold on July 16th, will be used to refund the City's 2009-A Bonds resulting in an estimated reduction in interest expense by approximately \$1.5 million over the next 15 years.

Principal payment on the refunding has been structured for level annual savings. Debt service on these bonds is currently paid from stormwater utility and drainage district revenues. Following the July meeting, staff and our advisors have: completed the competitive sale on the 2014-A issue, drafted and distributed a Preliminary Official Statement the 2014-B issue, prepared the documents which prescribe the form and details of the 2014-B bonds, and affirmed our Standard and Poor's rating.

Pursuant to the direction of the City Council, the sale of the bonds will be advertised and written bids accepted through 10:00 a.m. (CST) on Wednesday, August 6, 2014. In order to obtain the lowest interest cost, the City will solicit competitive bids from both local banks as well as regional and national bond underwriters. The Council will take three separate actions related to the Bond Sale at the Special City Council meeting (6:00 p.m.) that same evening:

1. Acceptance of the winning bid
2. Approve an Ordinance Authorizing the Sale
3. Approve a Resolution Prescribing the form and details of the bond sale

The City's financial advisor and bond counsel will be in attendance to present the information from the competitive bond sale and to answer any questions. We will close on the 2014-B Bond sale on August 27, 2014.

The City's financial advisor and bond counsel identified that by splitting the refunding into two issues, the City could realize additional savings over the remaining life of the issue. This will wrap up the 2009-A Refunding.

If any such mutilated, destroyed, lost or stolen Bond has become or is about to become due and payable, the Issuer, in its discretion, may pay such Bond instead of issuing a new Bond.

Upon the issuance of any new Bond under this Section, the Issuer and the Paying Agent may require the payment by the Owner of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Paying Agent) connected therewith.

Every new Bond issued pursuant to this Section shall constitute a replacement of the prior obligation of the Issuer, and shall be entitled to all the benefits of this Bond Resolution equally and ratably with all other Outstanding Bonds.

Section 209. Cancellation and Destruction of Bonds Upon Payment. All Bonds that have been paid or redeemed or that otherwise have been surrendered to the Paying Agent, either at or before Maturity, shall be cancelled by the Paying Agent immediately upon the payment and surrender thereof to the Paying Agent and subsequently destroyed in accordance with the customary practices of the Paying Agent. The Paying Agent shall execute a certificate in duplicate describing the Bonds so cancelled and destroyed and shall file an executed counterpart of such certificate with the Issuer.

Section 210. Book-Entry Bonds; Securities Depository. The Issuer and Paying Agent have entered into a DTC Representation Letter with DTC. The Bonds shall initially be registered to Cede & Co., the nominee for the Securities Depository, and no Beneficial Owner will receive certificates representing their respective interests in the Bonds, except in the event the Bond Registrar issues Replacement Bonds as provided in this Section. It is anticipated that during the term of the Bonds, the Securities Depository will make book-entry transfers among its Participants and receive and transmit payment of principal of, premium, if any, and interest on, the Bonds to the Participants until and unless the Bond Registrar authenticates and delivers Replacement Bonds to the Beneficial Owners as described in the following paragraph.

The Issuer may decide, subject to the requirements of the Operational Arrangements of DTC (or a successor Securities Depository), and the following provisions of this section to discontinue use of the system of book-entry transfers through DTC (or a successor Securities Depository):

(a) If the Issuer determines (1) that the Securities Depository is unable to properly discharge its responsibilities, or (2) that the Securities Depository is no longer qualified to act as a securities depository

and registered clearing agency under the Securities and Exchange Act of 1934, as amended, or (3) that the continuation of a book-entry system to the exclusion of any Bonds being issued to any Owner other than Cede & Co. is no longer in the best interests of the Beneficial Owners of the Bonds; or

(b) if the Bond Registrar receives written notice from Participants having interests in not less than 50% of the Bonds Outstanding, as shown on the records of the Securities Depository (and certified to such effect by the Securities Depository), that the continuation of a book-entry system to the exclusion of any Bonds being issued to any Owner other than Cede & Co. is no longer in the best interests of the Beneficial Owners of the Bonds, then the Bond Registrar shall notify the Owners of such determination or such notice and of the availability of certificates to Owners requesting the same, and the Bond Registrar shall register in the name of and authenticate and deliver Replacement Bonds to the Beneficial Owners or their nominees in principal amounts representing the interest of each, making such adjustments as it may find necessary or appropriate as to accrued interest; provided, that in the case of a determination under (a)(1) or (a)(2) of this paragraph, the Issuer, with the consent of the Bond Registrar, may select a successor securities depository in accordance with the following paragraph to effect book-entry transfers.

In such event, all references to the Securities Depository herein shall relate to the period of time when the Securities Depository has possession of at least one Bond. Upon the issuance of Replacement Bonds, all references herein to obligations imposed upon or to be performed by the Securities Depository shall be deemed to be imposed upon and performed by the Bond Registrar, to the extent applicable with respect to such Replacement Bonds. If the Securities Depository resigns and the Issuer, the Bond Registrar or Owners are unable to locate a qualified successor of the Securities Depository in accordance with the following paragraph, then the Bond Registrar shall authenticate and cause delivery of Replacement Bonds to Owners, as provided herein. The Bond Registrar may rely on information from the Securities Depository and its Participants as to the names of the Beneficial Owners of the Bonds. The cost of printing, registration, authentication, and delivery of Replacement Bonds shall be paid for by the Issuer.

In the event the Securities Depository resigns, is unable to properly discharge its responsibilities, or is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, the Issuer may appoint a successor Securities Depository provided the Bond Registrar receives written evidence satisfactory to the Bond Registrar with respect to the ability of the successor Securities Depository to discharge its responsibilities. Any such successor Securities Depository shall be a securities depository which is a registered clearing agency under the Securities and Exchange Act of 1934, as amended, or other applicable statute or regulation that operates a securities depository upon reasonable and customary terms. The Bond Registrar upon its receipt of a Bond or Bonds for cancellation shall cause the delivery of Bonds to the successor Securities Depository in an Authorized Denominations and form as provided herein.

Section 211. Nonpresentment of Bonds. If any Bond is not presented for payment when the principal thereof becomes due at Maturity, if funds sufficient to pay such Bond have been made available to the Paying Agent all liability of the Issuer to the Owner thereof for the payment of such Bond shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Paying Agent to hold such funds, without liability for interest thereon, for the benefit of the Owner of such Bond, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Bond Resolution or on, or with respect to, said Bond. If any Bond is not presented for payment within four (4) years following the date when such Bond becomes due at Maturity, the Paying Agent shall repay, without liability for interest thereon, to the Issuer the funds theretofore held by it for payment of such Bond, and such Bond shall, subject to the defense of any applicable statute of limitation, thereafter be an unsecured obligation of the Issuer, and the Owner thereof shall be entitled to look only to the Issuer for

payment, and then only to the extent of the amount so repaid to it by the Paying Agent, and the Issuer shall not be liable for any interest thereon and shall not be regarded as a trustee of such money.

Section 212. The Preliminary and Final Official Statement. The Preliminary Official Statement dated July 25, 2014, is hereby ratified and approved.
