AGENDA

1. 2022 Budget Discussion: Park Development Philosophy and SB13 – Laura Smith

Council will discuss an overall policy or philosophy related to funding outdoor park improvements. Specifically, whether to use debt financing to have a more visible/immediate impact in Mission's outdoor parks or to take a more phased or "pay-as-you-go" approach. In addition to the items related to parks and recreation capital projects, the work session will also include discussion of Senate Bill 13 (SB13) which is legislation that replaced the property tax lid and considerations for the 2022 Budget.
