RE: Resolutions Regarding Intent to Exceed the Revenue Neutral Rate

RECOMMENDATION: Approve the Resolutions for the City of Mission, Rock Creek Drainage District #1 and Rock Creek Drainage District #2 providing notice of the Governing Body’s intent to levy a property tax exceeding the revenue neutral rate for the 2023 Budget.

DETAILS: With full requirements for compliance with SB13 taking effect in 2022 for the 2023 budget year, if the Governing Body would like to retain a mill levy which is equal to or greater than the current tax year, notice must be provided to the Clerk no later than July 20, 2022.

A formal Council resolution was not required last year, so although Staff sought Council consensus during a June 24, 2022 budget work session of the desire to exceed the revenue neutral rate, more formal action is required to ensure Mission can capture the appropriate revenue when planning for the 2023 Budget.

Three separate resolutions have been prepared which gives the County notice of our intent to exceed the revenue neutral rate, and which establish the date and time of the required public hearing.

In order to meet the July 20 notification deadline imposed by the legislation, a special meeting was required.

Staff will be prepared to answer any additional questions during Monday’s special meeting.
